UTENTI (Professori o Studenti)

A questo gruppo appartengono tutte quelle utenze che richiedono un accesso wi-fi per il collegamento del dispositivo PC, Telefono Tablet ecc.

Gli utenti possono:

- Modificare la propria password
- Visualizzare i dati personali, tipo dati anagrafici
- Visualizzare i dati del proprio accesso (il proprio IP, l'indirizzo IP dell'Access Point, il traffico in entrata ed in uscita e la data e l'ora di login e logout)
